

## THE ALMY CONTRACT SERVICE PROCESS

When we receive a client's Request for Proposal, Almy responds promptly with design drawings, material swatches, sample vestments or appointments, a price quote and delivery time line. We can quote on two purchase options:

- **Diocese Only Purchase.** Almy makes the vestments, then delivers to and bills the diocese.
- **Diocese-Community Purchase.** The diocese and its parishes and clergy share in acquiring the proposed vestments. In this option, Almy provides marketing assistance and customer service for the diocese, including:
  - \* Photography of products
  - \* Exclusive pages on Almy's website where the diocese's members can view and purchase the vestments
  - \* Toll free telephone access to Almy customer service representatives acquainted with the project
  - \* Delivery and billing directly to the diocese, and to the parishes and clergy who make purchases

Whichever option you choose, Almy guarantees on-time delivery and excellent quality.

CM ALMY  
CONTRACT  
SERVICES

When a diocese adopts a uniform vestment design for its major celebrations, it enhances the visual beauty of sacred liturgy and strengthens the unity of its priests and deacons in the ministry of Our Lord Jesus Christ.

For dioceses, seminaries and other institutions, Almy is pleased to create designs and custom proposals for large purchases of Concelebration vestments and appointments. Our designers, customer service staff and crafts people — all based in the United States — are uniquely qualified to meet the special requirements associated with large projects.
